KODOMO NO HI
JAPAN FESTIVAL
2022

PROGRAM

SUNDAY 1 MAY

WELCOME TO KODOMO NO HI JAPAN FESTIVAL 2022

President's Message

Last year we held the 25th anniversary of the Kodomo no Hi Japan Festival, a unique cultural celebration of our State's links with Japan. It was held at a time when we were coming out of the first stage of the Covid pandemic and provided an opportunity for the community to enjoy a day of family fun and entertainment.

The celebration of Kodomo no Hi (Children's Day) is a major public holiday in Japan when families fly carp streamers to symbolize the parent's wish for their children to grow up strong and withstand the difficulties they may face in life. The festival presents a variety of performances, demonstrations and exhibitions highlighting the interests and activities of local Japanese residents and Australians interested in Japan.

The festival allows Japanese residents to showcase their culture and our History Festival display provides a record of the contribution they have made to the community.

This contribution extends to the corporate sphere and we are pleased to welcome Mitsubishi Motors and their exhibit of a hybrid EV and the DENDO house with its sustainable living technology. Their support for the festival is greatly appreciated and we look forward to an ongoing partnership with them and the other members of the Japanese Chamber of Commerce and Industry.

We hope that you will enjoy the program of activities, performances and demonstrations on offer today and will join with all our participants in contributing to the friendship and understanding that is the basis on which the festival is founded.

Mike Dunphy

President

Japan Australia Friendship Association
